Area Overview

The Aspen/Snowmass area offers a blend of cultural, athletic and recreational advantages like no other mountain resort. Where else can you attend a concert, an exhibit, the theatre, the ballet, and a lecture by one of the foremost political leaders in the world – all in a single day?

The Aspen/Snowmass community has been home to internationally known organizations and cultural events such as the Aspen Music Festival and School, the Aspen Center for Physics, the Aspen Film Festival and the Aspen Community Theatre for decades. The area also boasts the finest dining in the Rockies, with exceptional cuisine spanning Asian, Italian, Mexican and even Thai influences.

And of course, the area is ideal for outdoor enthusiasts. In the summer, one can hike an infinite number of wilderness trails; bike some of the best single-track sections in the Rockies; and raft, kayak or fish the many creeks and rivers threading through the Roaring Fork Valley. Skiing, snowboarding, snowmobiling and even dog sledding are but a few of the activities offered in the winter. Truly, this is the perfect year-round destination.
